

EXTRA CURRICULAR ACTIVITIES

2024-2025

Our Extra-curricular activities programme offers a wide variety of options for our pupils to continue learning after school.

Activities are carefully planned to encourage self-improvement, team spirit, fair play, creativity and imagination.

Extra-curricular activities allow pupils to come into contact with children from other classes, to make new friends and to develop new relationships and strengthen the ones they already have in a different and fun context.

EXTRA-CURRICULAR ACTIVITIES 2024-2025

HASTINGS SPORTS CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

SKATING/SKATEBOARDING

Skateboarding is a sport that never goes out of fashion. This sport helps to develop balance and maintain body harmony through its movements and exercises. Students will learn to skate and perfect their technique through dynamics, circuits and games where they practice progress techniques.

Bendición de Campos	Y1 to Y4	Tuesday	16:15 -17:15
Azulinas	Y5 & Y6	Tuesday	16:15 -17:15
Lorenzo Solano Tendero	Y7 to Y10	Wednesday	16:30 -17:30

KARATE

Karate is a very complete sport that favours the physical and personal development of the students. This sport works on self-defence through a martial art, with games and exercises adapted to each age group. With this activity, the students will learn the basic techniques, developing the motor skills necessary for its practice and will learn respect for the sport, the teacher and their classmates.

Bendición de Campos	Y1 to Y4	Wednesday	16:15 -17:15
Azulinas	Y5 & Y6	Tuesday	16:15 -17:15
Sobradriel	Nursery & Reception	Thursday	16:15 -17:15
Lorenzo Solano Tendero	Y1 to Y4	Monday	16:15 -17:15
	Y7 to Y10	Wednesday	16:30 -17:30

YOGA

Yoga improves the health of those who practice it and brings many physical, mental and emotional benefits. With this activity we want to help students to relax. Through the practice of yoga, our body releases accumulated tensions and reaches a great state of relaxation that influences our central nervous and respiratory system.

HASTINGS SPORTS CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

BASKETBALL

Basketball is one of the most popular sports worldwide. It promotes the physical and personal development of children and teaches them values such as companionship, teamwork and solidarity. The pupils will practice their technique through different exercises and competitive games. They will strengthen their motor development, their creativity and their capacity for logic during the game.

Bendición de Campos	Y2 to Y6	Thursday	16:15 -17:15
Sobradriel	Y1 to Y3	Monday	16:15 -17:15
	Y4 to Y6	Friday	16:15 -17:15
Lorenzo Solano Tendero	Y7 Alevín	Tuesday or Tuesday & Friday*	16:30 -17:30
	Y8 & Y9 Infantil	Monday or Monday & Friday*	16:30 -17:30
	Y10 & Y11 Cadete	Tuesday or Tuesday & Thursday*	16:30 -17:30

- *Option 1: 1 day training
- *Option 2: 2 days training
- *Option 3: 2 days training+ match

FOOTBALL

Football is the star sport, bringing innumerable benefits to the children and adolescents who play it. It stimulates physical and cognitive development and promotes values such as teamwork and companionship. The pupils will practice their technique through different exercises and competitive matches. They will enhance their motor development, their creativity and their capacity for logic during the game.

Bendición de Campos	Y1 to Y4	Monday	16:15 -17:15
Azulinas	Y5 & Y6	Monday	16:15 -17:15
Sobradriel	Y4 to Y6	Wednesday	16:15 -17:15
	Y1 to Y3	Thursday	16:15 -17:15
Lorenzo Solano Tendero	Y8 & Y9	Monday	16:30 -17:30

VOLLEYBALL

Volleyball is a versatile team sport that promotes physical and personal development, education and teamwork. With this sport we want to familiarise children with volleyball by teaching them the rules of the game, ball handling, basic movements and game tactics.

Bendición de Campos y Azulinas	Y2 to Y6	Wednesday	16:15 -17:15
Sobradriel	Y3 to Y6	Tuesday	16:15 -17:15
Lorenzo Solano Tendero	Y8 & Y9	Wednesday	16:30 -17:30
	Y10 & Y11	Thursday	16:30 -17:30

HASTINGS SPORTS CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

RUNNING CLUB

Running in a group, a great motivation. The practice of this sport brings both physical benefits (physical endurance, speed and strength development) and psychological benefits and helps to improve self-confidence and self-control. Students will enjoy this activity in the Canal Park which is located a short distance from our campuses, Bendición de Campos and Azulinas.

Bendición de Campos y Azulinas	Y3 to Y6	Friday	16:15 -17:15
--------------------------------	----------	--------	--------------

MULTI SPORT

In this extracurricular activity we will work on different sports at an early age, creating an interest in physical activity in the pupils and orienting them to the different types of sports that exist. Students will develop their motor skills, social relations, cohesion and group work.

Paseo de la Habana	Nursery	Monday	16:15 -17:15
	Reception	Tuesday	16:15 -17:15
Sobradriel	Nursery	Monday	16:15 -17:15
	Reception & Y1	Tuesday	16:15 -17:15

FITNESS CLUB

Fitness will involve a variety of training methods including Circuit, Continuous and Interval Training. There will be elements of Fit Boxing, Toning, Fitness Bands for resistance training, Fitness Testing, Fitness Challenges and much more! Students will help shape the programme based on their interests! The aim of the sessions is to provide the many benefits of physical training, to improve fitness overtime and also to promote positive, mental health and well-being.

Lorenzo Solano Tendero	Y8 & Y10	Tuesday	16:30 -17:30
------------------------	----------	---------	--------------

HASTINGS SPORTS CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

TABLE TENNIS

An intense game of table tennis stimulates mental alertness and concentration, improving reflexes. Due to the fast-paced, short-distance nature of the sport, both gross and fine muscle movements are improved. It's easy on the joints.

Manuel Marañon 8 Y11 to Y13 Wednesday 16:30 -17:30

MODERN DANCE: JAZZ & COMMERCIAL

This activity is done together with Rosa Llaurado from DanceesCool. A dance school with more than 10 years of experience and more than 1500s tudents. Jazz is a discipline that takes steps and figures from ballet, disco, breakdance, funky, hip-hop, blues, rap, twist, swing, rock&roll. On the other hand, the Commercial style is the result of the introduction and adaptation of urban culture in the pop music industry. At the end of the course, a Festival will be organised: a unique opportunity to participate in a large-scale show for family and friends. It takes place in one of the city's theatres that host great musicals; providing them with large stage sets, lighting, professional sound and a specific theme as a common thread.

Bendición de Campos	Y1 & Y2	Tuesday	16:15 -17:15
	Y3 & Y4	Thursday	16:15 -17:15
Azulinas	Y5 & Y6	Monday	16:15 -17:15
Sobradriel	Y1 to Y3	Tuesday	16:15 -17:15
	Y4 to Y6	Thursday	16:15 -17:15
Lorenzo Solano Tendero	Y7 to Y9	Monday	16:30 -17:30
Manuel Marañon 8	Y10 to Y13	Thursday	16:30 -17:30

BALLET

Ballet is a type of classical dance based on a set of movements performed to the rhythm of music with the aim of telling a story. This activity, as well as introducing students to the world of music, rhythm, coordination and movement, provides a multitude of physical and mental benefits. Susana Cortes will be the ballet teacher.

Paseo de la Habana	Nursery & REception	Wednesday	16:15 -17:15
Bendición de Campos	Y1 to Y4	Monday	16:15 -17:15
Sobradriel	Nursery, Reception & Y1	Wednesday	16:15 -17:15
	Y2 to Y4	Friday	16:15 -17:15

SELFDEFENSE

Self-defence is a set of techniques and skills with which we will improve our physical and mental skills in order to repel possible aggressions. Apart from the obvious, self-defence improves coordination and works on physical, tactical and mental aspects. making it an ideal way to keep fit, feel safe and learn how to defend ourselves.

Lorenzo Solano Tendero Y8 to Y10 Friday 16:30 -17:30

HASTINGS ARTISTIC CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

HASTINGS ARTISTIC CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

DRAMA

Drama is one of the extracurricular activities aimed at introducing children to the world of acting. In drama classes pupils will have fun acting and making up stories with their classmates. Theatre has many benefits for children: it develops corporal and verbal expression, stimulates their mental agility and memory, increases their self-esteem, they learn to respect and work in a group, know and control their emotions and it helps them to develop and express themselves in public.

Bendición de Campos	Y4 to Y6	Thursday	16:15 -17:15
Sobradriel	Y4 to Y6	Wednesday	16:15 -17:15
Lorenzo Solano Tendero	Y7 to Y9	Tuesday	16:30 -17:30

CHESS

Chess is a mental sport that favours concentration, reasoning, memory, problem solving and coordination. This mental game helps children to take initiative, develop logical-mathematical thinking, adapt to multiple and unexpected situations and make quicker and more accurate decisions under pressure. In these classes the student will be taught the main moves and rules of the game. and will learn to solve different strategic chess games.

Bendición de Campos	Y3 & Y4	Tuesday	16:15 -17:15
	Y1 & Y2	Thursday	16:15 -17:15
Azulinas	Y5 & Y6	Monday	16:15 -17:15
Sobradriel	Y1 to Y3	Monday	16:15 -17:15
	Y4 to Y6	Wednesday	16:15 -17:15
Lorenzo Solano Tendero	Y7 to Y10	Thursday	16:30 -17:30

ART CLUB

The craft activity is part of the integral evolutionary process of people. For this reason, in this extracurricular activity we want the students to enjoy different activities of manual manipulation with different types of materials, creative games and plastic workshops. The aim of the activity is for pupils to experience different artistic styles throughout the year.

Paseo de la Habana	Nursery & Reception	Thursday	16:15 -17:15
Sobradriel	Nursery, Reception & Y1	Thursday	16:15 -17:15

MINI CHEF

In Mini Chef the children will have a great time and will learn every day new and fun recipes adapted to the children's tastes. Cooking not only teaches them important values necessary for their psychological development such as responsibility and the value of collaborating in household chores, but also the properties of food and the importance of a healthy and balanced diet.

Paseo de la Habana	Nursery & Reception	Monday	16:15 -17:15
Bendición de Campos	Y1 to Y4	Tuesday	16:15 -17:15
Sobradriel	Nursery, Reception & Y1	Tuesday	16:15 -17:15

HASTINGS ARTISTIC CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

ROBOTICS

Robotics is a fantastic activity to develop creativity and technological and logical-mathematical skills throughout Primary. At each stage, pupils will solve fun design and mechanisation challenges in English that will encourage them to think like engineers, creating their own prototypes to perform specific functions. As the course progresses, they will evolve towards more complex and innovative maker projects that will even combine recycled materials with robotic components to create amazing devices.

At the same time, they will discover the possibilities offered by programming, discovering new instructions and logical structures that will help them develop their computational thinking skills. At each educational stage, we combine the actual programming of the robots with the creation of video games as a methodology to consolidate these concepts in a fun and motivating way. All the projects are part of a learning path designed to strengthen key skills for the future, such as cooperative work, strategic thinking and problem-solving.

Paseo de la Habana	Reception	Wednesday	16:15 -17:15
Bendición de Campos	Y1 & Y2	Thursday	16:15 -17:15

Azulinas	Y5 & Y6	Thursday	16:15 -17:15
Sobradriel	Y1 to Y3	Monday	16:15 -17:15
	Y4 to Y6	Tuesday	16:15 -17:15

SCIENCE CLUB

In the Science Club students will discover a world full of opportunities that will enhance their skills. We will use a method that will push students, developing their cognitive abilities, being more resolute and independent through fun games and daily challenges. We will encourage fellowship and teamwork, accelerate your skills and discover what you are capable of!

Bendición de Campos	Y1 to Y4	Tuesday	16:15 -17:15
Azulinas	Y5 & Y6	Wednesday	16:15 -17:15
Sobradriel	Y4 to Y6	Thursday	16:15 -17:15

TINY ARCHITECTS

To learn about unique buildings and architects, to draw plans as architects, to discover new typologies, to experiment with new materials, to acquire more knowledge about our architects, about our environment to be more aware of our impact on building more sustainable cities. DRAW, BUILD AND LEARN BY PLAYING through fun and creative workshops with drawings and model building, led by Paula Abalos, architect.

Bendición de Campos	Y3 & Y4	Monday	16:15 -17:15
Azulinas	Y4 to Y6	Monday	16:15 -17:15
Sobradriel	Y3 to Y6	Wednesday	16:15 -17:15

CODING CLUB

Activity in English language A fun way to enter the world of coding and assimilate computational thinking through video game coding. We use the programming environment interpreted by blocks of Minecraft Education to generate geometric elements, constructions and all kinds of effects, using loops, conditionals, variables and other components.

Progressively, we are expanding programming structures with Makecode Arcade, a video game development tool that is based on programming blocks and pixel art aesthetics, to generate new creations inspired by retro classics and develop critical, computational and spatial thinking.

EXTRA-CURRICULAR ACTIVITIES 2024-2025

3D & VIRTUAL REALITY CLUB

Activity in English language In this 100% visual extracurricular 3D spatial perception is developed and essential concepts are acquired to learn to create scenarios in three dimensions and interactive worlds. From prototypes generated with TinkerCAD and Minecraft Education, students incorporate new construction techniques taking into account factors such as stability, robustness and even the effects of gravity. Progressively, we are incorporating these learnings into environments such as Cospaces Edu, in which coding environments are used to generate animations, buildings and complex constructions, presenting it in Virtual/ Augmented Reality format.

GERMAN CLUB

In primary school pupils learn simple vocabulary and phrases in the early years and later we introduce more complex language but most importantly, they learn to feel comfortable listening to their teacher and following instructions in a spontaneous way. They learn songs and games in German.

In secondary school, pupils have the opportunity to communicate with their classmates and teachers in German in small groups. Our job is to activate the language through communicative games and activities based on stimulating themes.

HASTINGS MUSICAL CLUBS

EXTRA-CURRICULAR ACTIVITIES 2024-2025

MUSIC AND MOVEMENT

Music and Movement is the ideal extracurricular activity for children to begin to develop the gross motor skills of the body using music. With this extracurricular activity we want to bring music closer to children and make them grow through it. The pupils will have a great time learning songs, singing and dancing to the rhythm of the music. They will use their bodies as a form of expression, and they will learn to know and distinguish basic musical instruments.

FAQ

What is the deadline for registering for an extracurricular activity? As places are limited, we suggest that you register as soon as possible using the online form on our website or from the communications you receive through Cognita Connect.

Is it possible to register my child for one month instead of a full term? For organizational reasons, after-school activities are offered on a termly basis. If you wish to register your child after the term has started, we will charge for the rest of the term.

Why does a long term (15 weeks) cost the same as a short term (9 weeks)? The price is based on an annual calculation which is invoiced in three equal quarterly installments.

How is payment handled? The invoice for extracurricular activities will be issued quarterly (October, January and April), at the beginning of each term, according to the conditions agreed with the school. Taking into account that we have not included the month of September in the price because that is when the students try the activities.

What is the price per term for extra-curricular activities? The price is 161€ termly.

Tiny Architects activity 174€/termly

Lambda 30€/session

Lambda Public Speaking 60€/month

Coding Club & Robotics 187€/termly

3D & Virtual Reality Club 187€/termly

Didact Music (Instrument 81€/month, Instrument + Musical language 102€/month)

What is the price for competitive sports with two sessions a week "e.g. Basketball/ Volleyball"? The price per term will be 300€. This includes two sessions per week of one hour each day, plus the game on Saturdays. Students on the competitive teams will have to purchase the corresponding equipment.

Is there a cancellation policy? For organizational reasons, refunds are not possible except for justified medical reasons. However, if your child wishes to change activities within the same term, this will be possible, provided there is a place available.

Are all extracurricular activities in English? All extracurricular activities are taught in English. As we offer activities that are taught by other organisations, on some occasions, in situations of teacher substitution due to medical or personal reasons, it is possible that the teachers may not have a high level of English.

Do all extracurricular activities take place inside the buildings? Most of the activities in our programme take place inside the corresponding building, but some sports activities take place in the sports facilities we have, Bendicion de Campos and Azulinas use Colegio Mayor and Lorenzo Solano Tendero and Manuel Marañon 8 uses the sports courts.

Do students have to bring any specific equipment or material? For sports activities, pupils should bring the school's Physical Education equipment. For the rest of the activities, the school will provide students with the necessary equipment.

Do we federate students (karate)? For those clubs in which we can federate students, families will have the option, paying the corresponding fee.

What is the daily procedure? At the end of the school day, the class teacher will accompany the pupils to the classroom/space where monitors/teachers of the extracurricular activities will take them to their activity.

What are the opening hours for after-school activities? As a general rule, after-school activities take place between 16:15 and 17:15 (Paseo de la Habana, Bendicion de Campos, Azulinas and Sobradiel) and between 16:30 and 17:30 (Lorenzo Solano Tendero and Manuel Marañon 8). Check the timetable for each activity in the table.

Where will we pick up our children at the end of the activities? Parents/guardians must pick up their children at 17:15 at the latest (Paseo de la Habana, Bendición de Campos, Azulinas and Sobradiel) and at 17:30 (Lorenzo Solano Tendero and Manuel Marañon 8) at the entrance of the corresponding building.

What is the latest time to pick up my child? The school closes from Monday to Friday at 17:30. The time to collect the students for early years and primary will be at 17:15 and for secondary at 17:30.

Will there be activities in secondary school at midday? Yes, these activities will be free of charge for those students who have contracted the canteen service and as they depend on the timetables of our teachers, we will send more information in September.

CONDITIONS

-The school guarantees the quality of all activities provided by internal/external collaborators.

-For organisational reasons, extra-curricular activities are offered on a termly basis.

-The price is based on an annual calculation which is invoiced in three equal quarterly installments.

-The invoice for extracurricular activities will be issued quarterly, at the beginning of each term, in accordance with the conditions agreed with the school.

-Discount 20% from the third sibling enrolled in school.

-For organisational reasons, refunds are not possible. However, if your child wishes to change activity within the same term, this will be possible, provided there is a place available.

-To go ahead with an activity, there must be a minimum of 8/10 students enrolled.
